THE SENIOR CLASS
OF
CUMBY HIGH

Presents
"A Time For Us"
and
THE '72-'73 TROJAN

Foreword

A Time For Us

Someday there'll be

When chains are torn
By courage born

Of a love that's free,

A time when dreams
So long denied

Can flourish

As we unveil the love
We now must hide.

A time for us at last to see

A life worthwhile for you and me,

And with our love
Through tears and thorns we will
Endure as we pass surely
Through every storm.

A time for us someday there'll be

A new world, a world of shining hope
For you and me.

A Time For Dedication

To someone who cares how our time is spent; whose leadership has encouraged us to reach the goals we have set for ourselves. Our time and his time at Cumby High is almost gone, and we hope that our memory will always be with him, as his memory will linger throughout our lives. We, the Seniors of '73, wish to dedicate the '73 TROJAN to our principal, teacher, and friend, Mr. Jerry Hammack. May God be with you always.

In Memory Of
Our Littlest Angel

A time for us is now, but let's go back in time to the age when it was someone else's special time. We pause in love and sweet memories to recall our fond memories of our littlest angel, Jeannie Sue Callan. She was a member of our class when we were but children, but now though gone, she still has a place in all of our hearts. She is gone; we realize this, but she is not and surely will never be forgotten. There shall always be a time for us to remember her.

Superintendent's Message

I find it difficult to express the thoughts and feelings in my heart. I love my work and school. Each year we find new challenges and it is with the help of the student body that we have been able to achieve the degree of progress that has been made thus far.

We hope that your associations with the school will be treasured by you in the years ahead. May God bless you.

Sincerely,

Thomas O. Lewis
Superintendent of
Schools

Principal's Message

This year has set a foundation upon which you can build your life. The experiences and memories of this year will forever be cherished in your thoughts. Use these experiences to set your sights on the future. Through perseverance and hard work you can achieve any goal that you desire.

And remember if you can find a path with no obstacles, it probably doesn't lead anywhere.

Sincerely,

Jerry Hammack

Seniors of 1973 . . . Farewell

A Time For Us
Someday there'll be
When chains are torn
By courage born
Of a love that's free,
A time when dreams
So long denied
Can flourish
As we unveil the love
We now must hide.
A time for us at last to see.
A life worthwhile for you and me,
And with our love
Through tears and thorns we will
Endure as we pass surely
Through every storm.
A time for us someday there'll be
A new world, a world of shining hope
for you and me.
